Appearance [Edit](#)

Retsuko's appearance is based on the Red Panda. She has light orange fur on her face, black eyes, white ears, brown legs and arms, and a brown and light orange striped tail. Retsuko is seen in many different outfits throughout the series, but her typical clothing consists of a peach sweater with jewels around the collar and plaid skirt with black Mary Jane shoes. During the winter, Retsuko is usually seen wearing a navy blue pea coat, black skirt, tights and boots, and a peach scarf. Her work apparel is the typical female office uniform: blue vest and skirt, white dress shirt, and brown dress shoes.

When she starts screaming death metal, Retsuko's appearance changes to KISS-inspired makeup, sharper teeth, pointed eyebrows, a split tongue, glowing blue eyes, and the kanji for rage (烈) appears on her forehead. She is usually seen crying or manically laughing while in rage mode.

and though he gets extremely jealous of [Hesaku](#), Haida is still content that Retsuko is happy with him. This shows that he's kind and considerate, even if he's not getting what he wants.
