

I. Overall Description

A. Goliath fucking Elisa, random positions. Elisa is not preggo in this.

B. The messier the better.

II. Characters

A. See pictures. Random placement. Make it messy.

III. Background

A. I've included refs of all the major settings below. Something random with the gargoyles theme. Castle Wyvern somewhere, or in the labyrinth. Maybe on top of a building, hee. NYC skyline opportunities. Also try some odd terrain under moonlight or at night. Surprise me.

If specified to make a lady preggo, make her this fat.
