VI. Expressions

A. Adrienne

i. All seductive

B. Matt

i. Unsure, but willing.

“I've been doing a lot of thinking,” Adrienne smiled, the jackal gently pushing Matt against the wall outside the weight room. She turned Matt's hat backwards so it would not get in her way. She brought her left paw against his chest, a devious smile spreading across her muzzle. Dan could no longer stop her from doing what she had wanted to for so long.

“Thinking? W-what?” Matt asked, ears drooping as he looked back at his ex. He felt hesitant over the way she had him pinned but Adrienne promptly placed his paw at the small of her back, giving him little choice but to play along.

“I don't care about Dan anymore. I finally broke away from him. I want you. I've always wanted you. I was wrong for what I did to you back in freshman year. I'm making up for it now. There's nobody around. We can skip the rest of horticulture and lunch. Go somewhere more private, like one of the empty classrooms in H hall. Mr. Rettun is in another room during the mornings. Please?” Adrienne explained, wiggling her bottom back and forth. Matt could feel his

sheath thickening. She could see the wolf's unsure look when his jeans tented.

“I don't know... I think Jess—” Matt began. She could hear the hesitation in his voice.

“Forget Jess. I know she's your best friend but that's all she's ever been to you. We have something,” Adrienne said, moving closer and nosing into Matt's muzzle. “Something more.” She meant it. She wanted him. He heard it in her words and saw it written plainly across her face.

Adrienne pleasantly watched Matt's reluctance fade away into a smile. “Lead the way,”

2017 updated book character references

Hello Ahkahna. If you're reading this, that means I am too lazy to try and streamline references for characters upon several different artists over at least twenty years. >.>

So I am going to outline some changes for a few characters. Most of this will impact the coloring phase.

nine months preggo refs

- Jessica Poxx, red fox, black ear tips.
 - 5'9", brown eyes, blonde hair, white tail tips
- Athletic build. Maybe a little chub? Barely?
- 132 pounds before pregnancy
- 192 pounds at birth
- five fingers (human like) with clawtips.
- pantigrade feet with clawtips.

- Wedding ring on left ring finger when specified.

- - Adrienne
 - She was supposed to be jet black, but I'm willing to compromise. As black as you can make her while showing lots of fur texture?
