

I. Description

- A. You're copying this unfinished smut image of Freya and Leviathan. The frame on the left, they're in that pillow of circles still. The right is merely a closeup of a pre strand falling from her lips. **The dirtier the better.**

II. Characters

- A. Freya
i. See ref pic.
- B. Leviathan
i. See ref pic too. Wingless dragon, human style cock. Rear claw talons. Red eyes. Like red red. No iris or anything.

Ignore Leviathan's darker shade in this pic.

Freya Crescent

Clawed hands, three fingers, one thumb. Digitgrade feet, four toe claws. Thin tail. See game ref pic below. Rat. She's a rat. Rat. Rat. Rat. Not dragon. She has a D chest before pregnancy thanks to Leviathan. Purplish nipples.

Leviathan the Eidolon

Serpent of water, giver of life. Shapeshifter. Human style cock, long broad tail. Clawed hands. 3 fingers + 1 thumb total.

Background to use. Note the mist and pillow coloration. I'm not anal about the pillows being precise, but notice that Freya's tail is thinner and its ribbon is yellow.
