**IV. Story Scene**

- A. *"You really love him. Don'tcha Poxxy?" Shelly Horowitz asked. The topless lioness reached into her locker and retrieved her tube top. She turned towards Jessica, noticing the vixen's transfixed gaze on her breasts.*  
*"Huh?" Jess stuttered, snapping out of the erotic gaze. Shelly snickered at her best friend, turned fucktoy and continued getting dressed.*  
*"I was saying...You really love Matt, don't you? More than you love our little hookups," she repeated. Jess looked back at her.*  
*"Yeah...Shellz...I do..." Jess said, beginning to tie her shoes. "I've known him my entire life. We've grown up together. I want him to fuck me, but how do I know if it's the right time?"*  
*Jess secured her gym locker and grabbed her book bag. "Do you want my advice, Poxxy?" Shelly purred, working the tube top over her body.*

Color scheme from old, uncropped version.

Jessica seven months along. Only decently colored pic I have.

Shelly Horowitz; ignore tailtip

*Pose and background to use. Pan out more and show Jess kneeling, about to tie her shoes but ...distracted. Ignore reference in this pic for Jessica. Also the finger count. **Human hands + clawtips.***

***Shelly's correct tailtip***
