IV. Story Scene

- A. *"I...I...", Shelly faltered, trembling at the sensation of her first tie with a wolf. Jessica gripped the bed, grinding her hips into her husband's muzzle and holding onto the headboard for dear life. Matt came down from his climax, shivering at the tightened lioness physically bonded to his hips. Shelly was slumped across Jessica's back, fondling the vixen's right breast and rolling the nipple between her fingers.*

Angle & Background to use, sheets obviously disheveled. Matt's head on pillows.
