IV. Story Scene

A. Tera shuffled around on top of the fennec until their bodies were properly aligned. Fara closed her eyes and took a breath. This would be her first female outside of Katt. She spread her legs for Tera and began to lick at the leopard's moistening folds. Tera gasped and moaned softly into Fara's hips. The vixen's tongue was deep inside of her and exploring her depths. Tera tried to concentrate in returning the affection. She, in turn, rasped her tongue across the fennec's pussy and drank down her arousal. Katt could only purr with pride at the sight before her. Two of her closest lovers, aside from her husband, were giving her a nice show...
