

I. What to add

- A. Lots of money, clothes, sex toys, vhs sex tapes of her and Matt. Her wardrobe has been rifled through and her father has it all strewn around the bed and desk. Clutter. CLUTTER CLUTTER CLUTTER!
- B. Emotion. Tears from her.

II. What to change

- A. Angle of shot.
- B. Pictures on her mirror. More? Some of dirty Anubis? May not have enough room for that...
- C. Color of her father's pants. Tan.

III. What I like about it

- A. The expressions and posing are okay. They could be fiercer? She feels betrayed.

IV. What to remove

- A. Pending.

V. What to ignore

- A.

VI. What I don't like about it

- A. Angle of shot. I wanted a wider shot to get the computer and desk and wall posters into the picture.

VII. What I was going for

- A. Fierce emotional scene. I want her wearing something that is barely covering her growing body. She's struggling to hide her pregnancy. Maybe she just isn't trying her hardest to do it?

VIII. Characters

- A. Keep her father the same, maybe add an empty shoulder holster.

IX. Background

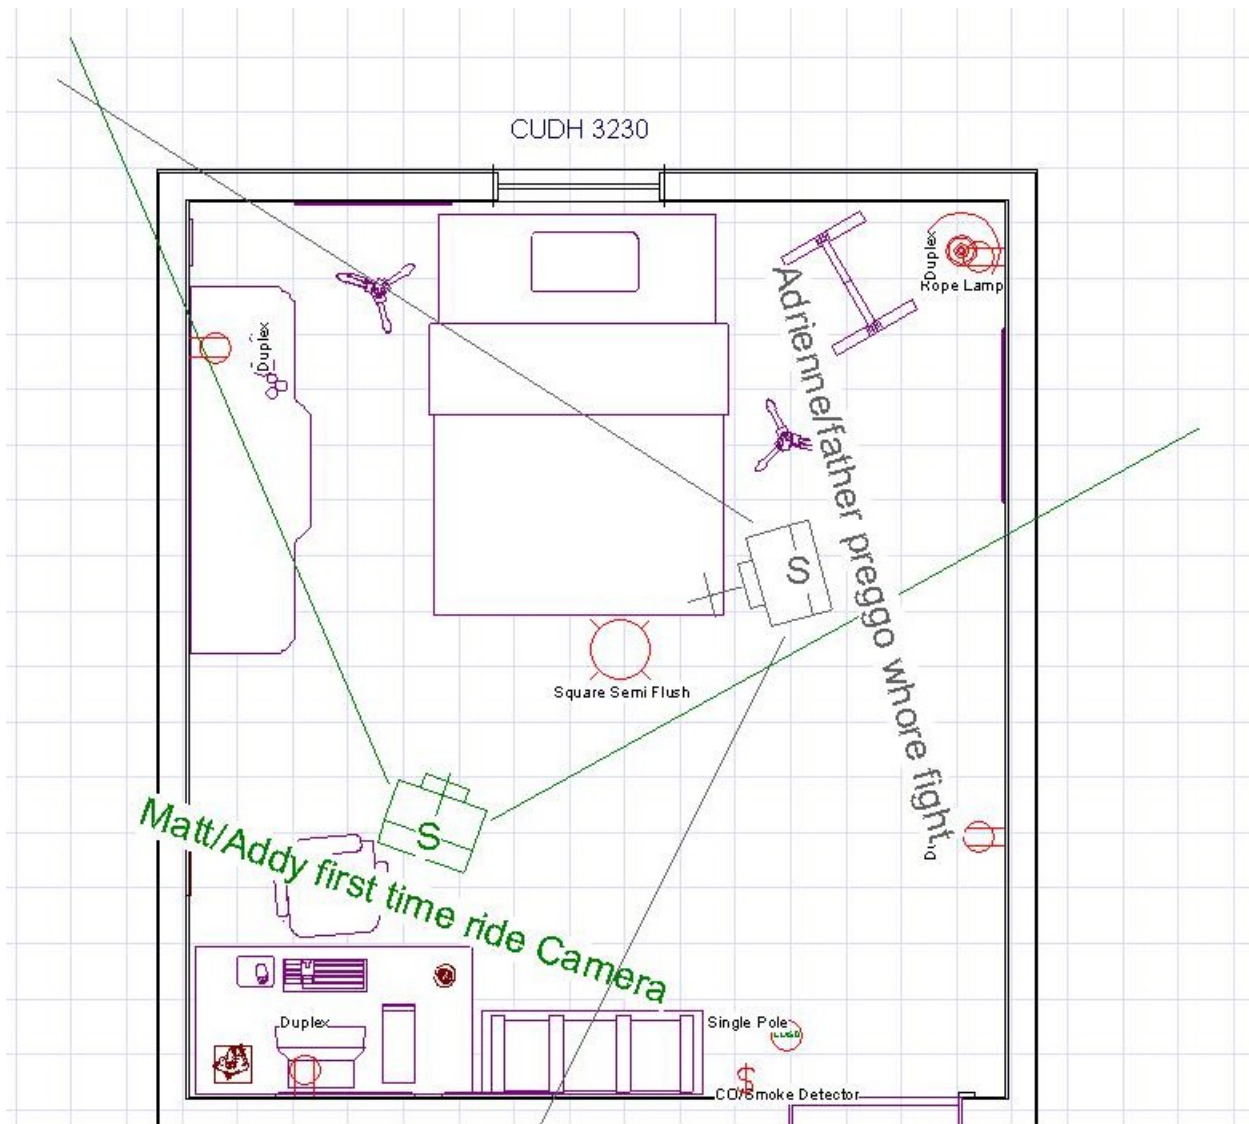

- A. Adrienne's room.

Original version. Perspective and focal point is off. Backgrounds are just flat colors.

You may need to crop the right part of this as it is 8x10.

LEFT POSTER

RIGHT POSTER

Original file for crunchy context

I. Overall Description

A. Adrienne goes into her room to see her dad finding all the money hidden in her dresser drawers. Then she comes out to him that she's a whore, and preggo. Tense shouting match. No real design for her dad. Older jackal, cop, single father, widow. Addy isn't showing too much. Bigger tits. Small baby bump, barely noticeable.

II. Pose

A. Her father is by the dresser drawer. Lots of money and clothes everywhere. Lots.

III. Angle & Background

A. Remind me about the posters when you come to this. >.> Use an angle. Your discretion.

Updated for Ahkahna: 1/29/17

Adrienne Harrison, Anubian jackal, 6' tall excluding ears
headfur, blue eyes. Pink nipples, thin bar tail, human paws and
feet with clawtips. human paws (4 fingers + 1 thumb), black nose,
BEFORE PREGNANCY: B cup chest, 140 pounds. Slim and slender, not pregnant: green with tag
pregnant: the spiked version

collars:

2017 updated book character references

Hello Ahkahna. If you're reading this, that means I am too lazy to try and streamline references for characters upon several different artists over at least twenty years. >.>

So I am going to outline some changes for a few characters. Most of this will impact the coloring phase.

nine months preggo refs

- Jessica Poxx, red fox, black ear tips.
 - 5'9", brown eyes, blonde hair, white tail tips
- Athletic build. Maybe a little chub? Barely?
- 132 pounds before pregnancy
- 192 pounds at birth
- five fingers (human like) with clawtips.
- pantigrade feet with clawtips.
- Keep her orange. Blonde hair. I took “red fox” way too literally. >.>
-

- *She's athletic. There's a loose shirt in this pic.*

- *Nine months preggio*
 -
- Matt
 - Timberwolf. Solid gray tailtip. Ventral white stripe. Human feet and paws with clawtips.
 - 5'9"
 - Anatomy: Realistic wolf like cock with knot. 9" in length, larger when knotted.
 - Headfur. Go easy on the headfur. See the picture Acidaplusia did of me. Make it a bit shorter.
 - You'll see two versions of me throughout the art pics. Keep me lighter gray with a white ventral stripe. Black muzzle mark on both sides.

- Wedding ring on left ring finger when specified.

- - Adrienne
 - She was supposed to be jet black, but I'm willing to compromise. As black as you can make her while showing lots of fur texture?
 - 6' to the head. The ears add an extra foot.
 - Inner ears dyed gold.
 - Thin bar for a tail.

collars:

,not pregnant: green with tag

pregnant: the spiked version

- - - Shelly
 - 5'10", african lioness

- sea green eyes
- D cup
 - black nipples

-
-

Shelly Horowitz, african lioness, 5'10"
plantigrade feet and hands with clawtips
human hands (4 fingers + 1 thumb)
D cup breasts, black nipples and flesh
sea green eyes, headfur.
