Margaret "Mae" Borowski

Mae has dark blue fur with dyed red hair, which has faded since she applied it and now appears to be dark red in color. She has large red eyes, which she dislikes and refers to as "nightmare eyes." Her right ear is also notched from a dog attack, and Mae can be seen flicking this ear frequently throughout the game while idle.

Mae's attire consists of a brown shirt with long red sleeves. It has a slashed zero design in the center. She also sports torn black jeans, and boots described by Scott Benson as "cheap green-ish knock-off doc martens." [1]

It's been stated by Mae herself that she believes she's rather short and plump. Her grandfather considered her "sturdy," an assessment that Mae ultimately agrees with.

Gregory Lee

Gregg is a ginger fox with navy eyes and yellow scleras. He wears a navy, leather jacket over a dark gray shirt. He also wears blue jeans and navy, "rockabilly-ass" boots. [1] Sometimes he likes to sport an old, Prussian Pickelhaube with a bullet hole and an anarchy sticker.

He has a tattoo of a sheep on his bicep [2], inspired by the incident from his childhood. The tattoo holds deep meaning for him.

Give him an animal style cock.
