

**I. Overall Description**

A. Followup to the anonymous color comic panel I had done for me. The focal point should be Katt's preggo body being split apart by Slippy's huge dick. Cum pooling everywhere. Katt is sucking from one of her massive tits, and spraying milk from the other. Slippy has some kind of contraption that helps her fuck him without effort.

**II. Characters**

A. See pictures.

**III. Background**

A. The Great Fox bridge.

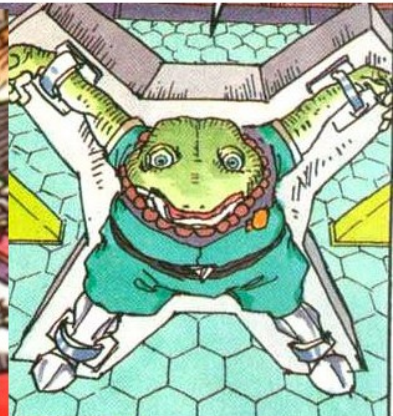

*If specified to be preggo, make em this fat.*
