

I. Overall Picture

- A. A vixen on a stool with a lioness tending to the vixen's wedding dress in front of a tri-fold mirror. Each mirror's reflection showing.

II. Pose

- A. Jessica is standing on the pedestal surrounded by the tri-fold mirrors with Shelly (lioness) tending to the hem line of Jessica's dress and scolding her to keep still. Shelly is on Jessica's left. Jessica is facing the mirror. Her friends, Tessa and Meagan are in the background giggling that their best friend has finally getting hitched before them. The end file is exactly how I want it done.

III. Background & Angle

- A. See render labeled main angle.

V. Story Scene

- A. *"Keep still!" Shelly scowled, fumbling with parts of Jessica's wedding gown. The garment was an A-Line ice blue Vixeneca style wedding dress.*
"I can't help it. It itches!" Jess squirmed from atop a stool.
"Are you sure you're a size eight?" Tessa quipped from behind, her reflection visible in the three full length mirrors aligned to improvise a tri-fold.
"I won't be for long," Jess snapped back at the cheetah.
"I'm just saying!" Tessa giggled. Shelly fiddled with the hem line.
