## 2017 updated book character references

If you're reading this, that means I am too lazy to try and streamline references for characters upon several different artists over at least twenty years. >.>

So I am going to outline some changes for a few characters. Most of this will impact the coloring phase.

*nine months preggo refs*

- Jessica Poxx, red fox, black ear tips.
  - 5'9", brown eyes, blonde hair, white tail tips
- Athletic build. Maybe a little chub? Barely?
- 132 pounds before pregnancy
- 192 pounds at birth
- five fingers (human like) with clawtips.
- pantigrade feet with clawtips.
- Keep her orange. Blonde hair. I took "red fox" way too literally. >.>
- -

- *Nine months preggo*

- 
- Matt
  - Timberwolf. Solid gray tailtip. Ventral white stripe. Human feet and paws with clawtips.
  - 5'9"
  - Anatomy: Realistic wolf like cock with knot. 9" in length, larger when knotted.
  - Headfur. Go easy on the headfur. See the picture Acidaplivia did of me. Make it a bit shorter.
  - You'll see two versions of me throughout the art pics. Keep me lighter gray with a white ventral stripe. Black muzzle mark on both sides.
  - Wedding ring on left ring finger when specified.

- 
- Adrienne
  - She was supposed to be jet black, but I'm willing to compromise. As black as you can make her while showing lots of fur texture?
  - 6' to the head. The ears add an extra foot.

- Inner ears dyed gold.
- Thin bar for a tail.

collars:

,not pregnant: green with tag

pregnant: the spiked version
