

**I. What to change**

A. You can change the pose, move them to the center of the bed. You don't have to copy the picture.

**II. Overall Description**

A. Matt gets two ladies at once! Jess is 2-3 months along. Bigger titties maybe? Not showing in the belly. Also, they've just moved in so clutter up the background, open boxes of crap in the background.

**III. Pose**

A. Shelly on all fours, Matt pounding her, Jess taping all of it and grabbing a swinging DD lioness tit. Shelly's muzzle has Matt's mess dripping from it from the previous load.

**IV. Angle**

A. Make it messy and show all the goods, but try to get some of the background into the file. Bigger paper size perhaps? Included refs.

**V. Backgrounding**

**A. Add things like boxes still yet to be unpacked. The room isn't fully furnished like it appears in the render. Lots of clutter in whatever background will be there. :P**

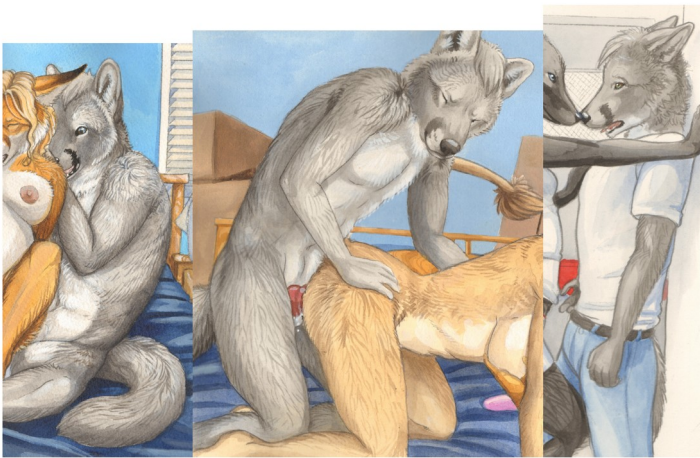

**VI. Story Scene**

A. *Jess zoomed in on Shelly's swinging tits, reaching in to grab the closest one. "Come on Matt. Fuck my lioness like you fuck me. Hard and frantic," she murred, twisting one of Shelly's nipples just to wind her up.*
