#### I. Overall Description

- A. Staghart stuffing his huge cock in poor little Lex. His load is leaking out everywhere.
- B. The messier the better.

#### II. Characters

A. See pictures. Random placement. Make it messy.

#### III.Background

A. I've included refs of all the major settings below. Something random with the gargoyles theme. Castle Wyvern somewhere, or in the labyrinth. Maybe on top of a building, hee. NYC skyline opportunities. Also try some odd terrain under moonlight or at night. Surprise me.
