I. Overall Description

- A. A drunk leopardess officer draped in a towel, dropping it to entice her boyfriend to get inside.

II. Pose

- A. Tera is in the door frame of her quarters, towel dropped as she is drying from a shower. Denga is outside, dropping the padd thing in his right paw, thinking “omfg she's horny AND tipsy.” in surprise. Tera is, tipsy, horny, playful, and wants the dane in her quarters... NOW.

III. Characters

- A. Tera Bravehart
 - i. Clothing
 - a) Nothing but that towel, well... not anymore.
- B. Denga Freeling
 - i. Uniform
 - a) The rank insignia is on the right collar. It's basically a military style BDU in that color, with the black boots Denga is wearing and a blue BDU hat. Denga's insignia is below. See references for further detail.

IV. Angle & Background

- A. See render.

V. Story Scene

- A. *“Come on flyboy, let's go inside so you can count my spots,” Tera purred, dropping her towel. His pawpadd terminal fell to the floor. Tera grabbed him by the paw and coaxed him into her quarters.*

The leopardess and great dane in question. In Tera's bed... Use the tail from the character picture. Ignore the pawpad on Denga's foot. That still needs fixing.

Sample of PADD device. 8"x6" and about half an inch thick. Not exact. Big enough to hold in one paw, but not overly big and most of these details obviously won't be visible. Ignore the text.
