

I. Overall Description

A. M/F/F double suck.

II. Story scene

A. Shelly ran her tongue upwards lightly, dancing with a teasing flick of her tongue tip, touching muzzles as they worked together, but the vixen was the one trying to swallow down around the cock. She let out a noise in the back of her throat while Evans moved his hand to rest against the nape of her neck. He didn't shove her down, but he made sure she couldn't lift back up again as her mouth worked in greedy flexing swallows. Her breath came out faster, body tensing up while she wriggled again.

III. Pose

A. The orca is on his back, hand around the nape of the vixen's neck. The fox is trying to fellate, with about the first third of orca cock down her maw. Shelly the lioness is helping, licking along the base and her muzzle bumping against the fox's.

B. Orca cum is leaking from Shelly's folds.

VII. Background

A. Under the high school bleachers.

i. Shelly must have had something arranged from the start, or perhaps she had given a signal to someone that was in the dance class. They left the back of the party and stepped out towards the back field and the bleachers. The lights here were barely visible, but both of them had good night vision and she went down the stairs with confidence. She bounced just a little bit before she noticed that there was someone leaning back against the bleachers.

b) Jess

- Dress
 - *Matt leaned back in the seat of the limo with a grin as he watched Jess get in beside him, letting out a bit of a laugh as she sat down. She was dressed in a sleek red dress that was covered in sequins and some silver embroidery that looked a bit like snow. It matched her coloring beautifully and every inch of her had been brushed out and fluffed so that she looked nearly twice her normal size.*

c) Shelly

- Dress
 - The moment he saw her, he knew that she and Jess had gone dress shopping together, she was wrapped up in an outfit that was the negative of what Jess was wearing. The white sequins caught the interior light with the trail of red embroidery as she moved to slide in beside her girlfriend. The lioness' grin growing a little wider, almost suggestive as she settled back and wrapped an arm around Jess' shoulders lazily. The hold curling downwards with a little glide, paws moving with a small rub that spread back and forth.
- Bra
 - She actually wearing one for this? Prolly? She typically goes braless.
- Panties
 - ???
