

I. Story scene

- A. *The lioness looked down to admire the way the dog's muzzle was pushed between her thighs, the tongue forcing its way into the passage with an eager greed that made her linger and admire the sight. She started to wiggle her hips in place, riding downwards as she forced her way until every fat inch of the cock was driven into her pussy. Her lips were stretched open wide, making sure that she was struggling with the length of him as it twitched and jerked a little bit. She breathed a little noise in the back of her throat before she lifted upwards, dragging the knot free while Jess cried out and the fox pressed forward against her. Her hips wiggled a little bit in place, trying to balance downwards with a little writhe as she trembled in place.*
- B. *The length of the knot started to push deeper into her passage, glutting her passage with a strain that was starting to grow larger by the moment. It was too large, twitching slightly in place as she felt just how large the shaft was as it was pushing into the depths of her passage. The strain of it was jabbing deep inside of her, pushing her hips higher in the air while the precum was oozing out in a spill that was messily coating inside of her. The mixture of it was starting to push deeper inside of her as she began to ride the hips, moving slowly while her hands slipped along the curve of Jess' body and tipped her head to one side.*
- C. *She began to kiss with a warmth of the fox's muzzle, slowly and thoroughly pushing her tongue out as she felt the cock tip jamming deep inside of her. The force of it was strained wide, starting to push into the depth of her belly as the walls were tightening down with a powerful squeeze. She felt the knot swelling inside of her as the dog let out a guttural noise and the move of the hands reached to either side while she felt the jerk backwards. The slow movements were pulling backwards with a sudden drag that began to pull from her body, nearly ripping her in two as she experienced another sharp twinge burn through her.*
