

**I. Semi-hinged Star Fox rant about robotic feet vs futuristic boots and the refs I’ve made...**

- A. Only pay attention to this if the refs are from the Nintendo Power comic. Putting it in my Star Fox template because lazy.
  - i. This [link](#) claims it is a theory. This [link](#) conflicts that directly. Itoh’s comic, final page of chapter 2 shows Slippy’s bare, exposed frog feet in one sole panel. Robotic feet for the NP comic characters? No robot feet? Animal feet? Pick one. I’m done giving a fuck.

**II. Overall Description**

- A. Make a pinup of Fara Phoenix, nine months preggio, as close to the comic style as possible.

**III.Characters**

**IV.Pose**

**V. Background**

- A. Next to that tree
