- B. meeeeh lol damn my OCD
- C. **The messier the better.**

**II. Characters**

- A. See pictures. Random placement. Make it messy.

**III. Background**

- A. I've included refs of all the major settings below. Something random with the gargoyles theme. Castle Wyvern somewhere, or in the labyrinth. Maybe on top of a building, hee. NYC skyline opportunities. Also try some odd terrain under moonlight or at night. Surprise me.

*If specified to be preggo, make em this fat.*

# Castle Wyvern refs (994 AD)

# Castle Wyvern background refs. 1994 AD

Wyvern Castle's Rookery before its destruction. Not a lot to work with, or lit well, but use your best judgement.

# London Clan's Soho Bookshop "Into the Mystic"

Not much to work with. The two main areas are the upstairs store and the basement.

# The Labyrinth - Main Chamber
