Official canon info: Second was a large, powerful gargoyle. He had a ruddy-brownish skin coloring, but lacked hair. He had no brow horns, just standard ridges, but did possess two large horns coming from each side of his head. His wings were similar to Brooklyn's, but had only a single claw at the apex instead of three. He wore a breastplate across his chest and had armor around his forearms, but carried no weapons. ~<http://gargwiki.net/Second>
