I. **Overall Description**
   A. Bronx fucking Angela on all fours while she sucks a load from Broadway
   B. <u>The messier the better.</u>
II. **Characters**
   A. See pictures. Random placement. Make it messy.
III.**Background**
   A. I've included refs of all the major settings below. Something random with the gargoyles theme. Castle Wyvern somewhere, or in the labyrinth. Maybe on top of a building, hee. NYC skyline opportunities. Also try some odd terrain under moonlight or at night. Surprise me.

If specified to be preggo, make em this fat.
