

I. Semi-hinged Star Fox rant about robotic feet vs futuristic boots

- A. Only pay attention to this if the refs are from the Nintendo Power comic. Putting it in my Star Fox template because lazy.
 - i. This [link](#) claims it is a theory. This [link](#) conflicts that directly. Itoh's comic, final page of chapter 2 shows Slippy's bare, exposed frog feet in one sole panel. Robotic feet for the NP comic characters? No robot feet? Animal feet? Pick one. I'm done giving a fuck.

II. Overall Description

- A. Falco Lombardi riding that Papetoon elephant's cock and taking a giant load up his ass.
