

## **I. Overall Description**

A. Four cocked nonanthro sleipnir fucking a polar bear chick.

## **II. Characters**

A. Four cocked Sleipnir

- i. About as big as horses get.
- ii. One of his cocks can fit in there okay and fill her up, but all four at once are splitting her open to the limit and she is feeeeeeling it. How to get four dicks defined and her polar bear facial expression to go zomg without multiple panels or mirrors? figure that out?

B. Polar bear

- i. 10' tall, headfur, black nipples, nose, paw pads and pussy flesh. Make her nine months preggo.

## **III. Background**

A. See separate file.

*If specified to be preggo, make em this fat.*
